

**Shelby Bottoms Nature Center Summer Job Announcement
Nashville, TN**

**Environmental Education Program
Recreation Aide**

The Shelby Bottoms Nature Center is offering a summer seasonal job (or paid internship) working with the Environmental Education (EE) program. The EE program offers education programs to youth, families, scouts, day camps and the general public.

This position runs May-August and is a 30-hour-a-week commitment **including some evening and weekend responsibilities**. The wage is \$8.61 per hour. Interested candidates should be 18 years and older and have experience and education working with children and teaching in an outdoor setting.

Resumes will be accepted until April 17, 2009.

Major Job Responsibilities

- Leading/assisting with environmental education programs
- Meeting and greeting Nature Center visitors and staffing the front desk and phones
- Assisting with creating/maintaining bird feeding stations, gardens and grounds
- Developing literature/exhibits used by students and the public

Preferred Field of Study

Environmental Education, Recreation and Parks Administration, Biology, or related fields.

Position is open until filled. Position is subject to a background check and pre-appointment/random drug testing. Interested candidates should send a cover letter, resume and three references to:
